Hello Ladies,

And welcome to the **Autumn 2010** edition of our newsletter.

Traditionally spring is considered the time of new beginnings, but autumn can also bring its own changes – in years gone by it was a time associated with hopefully bountiful harvests but nowadays it is the time when kids start or go back to school, studies are embarked upon and we embrace the change in seasons. Here at Second Nature there is plenty to keep you beautiful as the leaves change and we feel the first nip in the air.

September is a special time here at Second Nature as it's our fifth birthday and we'd like you to help us celebrate with our Birthday Month Offer! Receive a 15% discount voucher to spend in October every time you spend £30.00 or more.....get booking those special treatments now!

Keep out the autumn shivers in October with the The Big Chill, one of our most popular offers to date. Spend a blissful hour and a half as we work out that tension with our aromatherapy back neck and shoulder massage followed by a marvellous Mavalia one hour facial - a sheer delight for the senses that will leave you glowing..

November sees the arrival of preparation for the coming party season with Mini Marvels a mini facial, eyebrow wax and eyelash tint. Just what you need to dazzle during the celebrations!
